What is a Counselor-in-Training?

We have developed a structured training program for 14 and 15 year old Scouts that will allow them to experience a variety of positions at camp. A "CIT" will be able to get hands on camp experience by working in multiple program areas and being exposed to camp leadership. Each individual will be mentored and led by the Program Director and other members of Camp Management. Although this is an un-paid training experience, this program will allow the Scout to have fun and also gain valuable leadership and work experience. To apply for a CIT position, please complete the enclosed application. For specific questions, please contact Michael Gullion, Camp Director, at Michael.gullion@scouting.org.

Who is eligible to be on staff?

All staff members must be registered members of the Boy Scouts of America or agree to become registered before employment begins. The principles of the Scout Oath and Law must be practiced as a way of life.

What are the expectations of staff?

The #1 expectation of staff is that they follow at all times the principals of the Scout Oath and Scout Law. Below are some specific expectations of camp staff.

As a member of Camp FGL staff you are expected to.

- Make customer service a priority. All campers (both youth and adults) are our guests. They are guests in our home. We should make them feel welcome and comfortable at all times.
- Set an example of excellence in Scouting. As a member of camp staff, you will be looked up to by Scouts and adult leaders.
- Wear the proper uniform at all times and adhere to our Camp's standards of personal appearance. Specific information on uniforms and appearance will be available in the Staff Guidebook. Extreme hairstyles, unkempt facial hair, or inappropriate jewelry are not allowed.
- Be on time to all assigned job assignments. Being "on time" for an assignment means arriving early and being prepared.
- Not discuss your salary with other staff members. Each staff members' salary is unique to their responsibility, assignment, and experience. It is very unprofessional to discuss salary with another staff member.
- Be professional. Being on staff at summer camp is a paid position and you are expected to remain professional at all times.
- Have fun. Our guests are likely not to have a good time if our staff is not having a good time. We want you to enjoy yourself while you are working at Camp FGL.
