The Camp FGL Experience

Camp Location

Camp FGL is on a 900-acre peninsula on beautiful West Point Lake in LaGrange, Georgia.

West Point Lake is a 25,900 acre reservoir of the Chattahoochee River.

Camp FGL is located on the border of West Georgia and East Alabama about halfway between Birmingham and Atlanta.

Living Facilities

There are 6 campsites to choose from, each with their own unique views. Each of the 6 campsites comes complete with a permanent pavilion with picnic tables, electrical outlets, ceiling fans and holds 40-68 campers. Campers will also enjoy our lighted private bathhouse facilities with individual hot showers and flush toilets.

Camp Facilities

One of the major advantages of Camp FGL is that we are one of the newest camps in the Southern Region. Our facilities are new and well maintained.

Facilities at Camp FGL include:

- McKenzie Waterfront
- 300 seat air conditioned dining hall
- 24 hour Health Lodge
- Air conditioned Trading Post
- Rifle Range, Shotgun Range & Archery Range
- 600 seat Chapel and Amphitheatre
- Junior Olympic sized saltwater filtered swimming pool Our pool decking consists of "cool decking", a special surface that does not get hot
- Waterfront for sailing, kayaking, canoeing, motorboating, jet skis, paddle boarding and more.
- 50 foot Climbing and Rappelling Tower

Southern Hospitality

We are committed to customer service and it shows. We are proud to maintain a high ratio of summer camp staff to youth campers. This provides your Scout with personal attention the way summer camp was meant to be.

We also offer a "family style" dining experience for every meal. Instead of standing in long lines, your food is hot and ready on the table when you walk into the dining hall.

Summer Camp

The Camp FGL Experience

At Camp FGL we are taking a new look at the summer camp experience by taking the merit badge class to a whole new level.

Baden-Powell once said "We are not a club or Sunday School class, but a school of the woods."

At Camp FGL we don't believe that sitting at a picnic table outside for a week counts as a "school of the woods". While at Camp FGL your Scouts will gain a true experience of Scouting. Scouts will earn merit badges by completing a themed "Quest".

Each quest is designed to be hands on and highly interactive while earning 4-6 merit badges with partials on several others and providing each Scout a full summer camp experience.

Scouts look to have a memorable experience at summer camp each year.

The quest program is designed to give that to them through interactive and creative ways of accomplishing merit badge requirements. Each quest runs Monday through Thursday from 9AM-4PM allowing more time to work on requirements with the staff members.

The Quests...

A few examples of what quests will look like are:

Zombie Apocalypse: Search and Rescue, Emergency Preparedness, Wilderness Survival and Movie-making and a few more unique surprises.

Expedition Unknown: Exploration, Archeology, Reptile Study, Weather and much more.

Achak Quest: Requirements covering up to 2nd class. Swimming, First Aid Merit badges with Rifle and Canoeing experiences.

Aquaman: Jet Ski along with Motorboating, small boat sailing, lifesaving merit badges.

We have over 15 unique quest for your Scouts to choose from that are designed for all ages and experience levels.
