

The Counselor in Training program at Camp FGL is open to Scouts, Venture Crew, and Exploring members that are 14-15 years old have at least obtained the rank of 1<sup>st</sup> Class in Scouting or the equivalent of two years of membership within their Crew or Post. This program will offer you the opportunity to be a part camp staff, experience all the different program areas, and even have the chance to earn a couple of merit badges. CIT's will receive training and experience working from working at program areas such as the Waterfront, Scoutcraft, Handicraft, Shooting Sports, Pool, STEM University, COPE/Climbing, First Year Camper, Ecology, and the Dining Hall. We ask that CIT's commit to at least (2) weeks in addition to the Staff Training week (or what we like to consider "Staff Week").

Scoutmasters,

Please take a moment to fill out this form. One of your scouts is applying to be a CIT at Camp FGL. The applicant should have provided you with a stamped envelope. Please fill out the following questions honestly. Space is limited for this program so not all applicants will be accepted. Please feel free to elaborate any personal experience or observations that would support your Scout in becoming a CIT.
